SPERGON

The new outstanding seed treatment by dusting for the prevention of seed born diseases and fungi causing low germination of seed. It is non-poisonous and does not harm the seed under any conditions of soil, moisture or temperature, according to results to date. It can be used for all kinds of seed. You will be pleased and surprised with the results.

DEAR CUSTOMER:

Asgrow's newest branch at Lubbock, Texas, is now in full operation. Our Lubbock branch is serving the Northwest Area of Texas and all of New Mexico. Carrying a full line of field, pasture grass and soil improvement crops along with complete stocks of Asgrow Vegetable Seeds.

In Lubbock, we are now processing some of the finest Grain Sorghums we have ever produced. Our Texas Certified Sorghums are produced from our registered seed stocks, grown and harvested under the supervision of Mr. Bert Ashton, the manager of our Production Department. In Lubbock, they are processed under the supervision of Ben A. Peek, the Branch Manager. This combination of experienced and expert supervision in both production and processing assures the finest seeds available.

Yours very truly,

Associated Seeds, Inc.
